WEIL PUMP CO INC. TO BECOME PART OF WILO USA LLC

We are excited to announce that Weil Pump Co Inc. and Wilo USA LLC have joined forces to become one team! This means many exciting opportunities ahead for our customers and associates.

Wilo is a \$1.5 billion turnover pump company with headquarters in Dortmund, Germany and operations in over 60 countries worldwide. As a privately held company, Wilo is driven by technology and has a long-term vision to make life better for its customers and the people they serve.

Weil will continue to operate with the same management team and employees at the current of Cedarburg, Wisconsin. As one company, we will continue to provide the same high quality pumps and service that you have come to expect.

For Weil customers, this means additional growth and improved service opportunities in the future by utilizing the global resources of Wilo – both in the U.S. and around the world. We are excited about the opportunities this will bring for our employees and vendor partners as well.

Wilo USA LLC has operations in Thomasville, Georgia and a corporate office in Rosemont, Illinois. With the acquisition effective March 4th, 2017, Weil Pump Co Inc. will become part of Wilo USA LLC and continue to do business as Weil Pump Co Inc.

Wilo is proud to have such a valued brand as Weil join its team. Weil and Wilo share many similar values and we believe that together we can create even better value for those we serve in the future. We invite you to contact your Weil representative with any questions you may have.

With best regards,
